## TO-DAY'S ADVERTISEMENTS.

Knitting Company—Notice to employees.

"Said young Adam Gray  
To the maid by his side:  
'Dear Nell, I love none but you;  
Will you come be my bride?'  
And the sweet girl replied:  
'I don't care, Adam, if I do.'"

MR. HORACE JANUARY, who has most acceptably filled the position of mayor, is a candidate for re-election.

"Rick" Thomas was shot and slightly wounded at Paris last night by Tom Bashford.

Don't forget the base ball game at the fair grounds, to-morrow evening. The game will be called at half past two. Ladies admitted free.

Mrs. Anna Maria Byers, mother of James Byers, deceased, formerly of this city died at the residence of her son-in-law Mr. Frank Watkins, at Opelika, Ala., at the age of eighty-five years. She was a sister of General Albert Sydney Johnston.

The Ripley fair begins on the 25th inst. It promises to be better than ever, and there ought to be a large attendance from this neighborhood. Ripley was well-represented at our fair and it is only proper that the compliment should be returned in kind.

## Band Concert.

Hauke's Reed and Brass Band will give another concert at East End Park this evening. These concerts have been very successful, and are a very attractive feature of the amusements of the week. Good order will be maintained and no person of objectionable character will be admitted to the grounds.

## Notice.

After four o'clock this afternoon there will be no street cars running on Second street until six o'clock. Passengers coming from the fair will be brought as far as the foot of Market street. This arrangement is necessary to accommodate the large crowd at the fair grounds. The company asks the kind indulgence of the public.

The street railway arrangements this week have been the best that could be made under the circumstances. If any of our citizens have been inconvenienced, they are assured that it was impossible to have it otherwise and at the same time accommodate the vast crowd of people coming from and going to the fair. The company have done everything in their power to contribute to the success of the fair, and they certainly merit public commendation. The cars on Monday will be run on time that will be most convenient for the public.

## The Churches.

Preaching in the M. E. Church, North, morning and evening by the pastor, Rev. A. Boering.

Preaching at the Presbyterian Church by Rev. S. B. Alderson. In the morning—"Sermon to Aged Unbelievers." Evening—"Glory of Divine Sonship."

The first quarterly meeting will be held at the M. E. Church, South, to-morrow, Rev. J. W. Fitch, presiding. Dr. J. A. Henderson, the new pastor has arrived and will preach at one of the hours on Sunday.

## Fair Notes.

The attendance yesterday was about 5,000.

The mule race postponed from Thursday did not take place.

The bicycle race was postponed until to-day on account of the muddy track.

To-day's programme includes the stake race for four-year-olds, and the trot in the 2:40 class.

Hon. J. C. S. Blackburn, in a few appropriate words, presented the prize to the mother of the successful contestant in the "baby ring."

The premiums in the ladies' equestrian contest, a fine seal-skin hat and a silver flower stand were presented to the successful contestants by Hon. G. S. Wall.

Alexander's record on the Maysville track last spring and in Friday's race proves him to be what has always been claimed—a fast horse. With the above track in good condition, he can "down" most any horse that will trot against him.

The second race yesterday was the 2:27 class for a purse of \$350—divided. There were nine entries. Seven started, E. S. Muir's brown gelding, Mike, was the favorite in the pools, with Kitty Silver second choice. The favorite won in three straight heats.

## SUMMARY.

Mike	1	1
Kitty Silver	2	2
Nannie Talbot	3	3
Tucker	4	4
Mystery	5	5
Zilla	6	6
Alcyone	7	7
Time	2:22 1/2	2:35 1/2

In addition to the above races there was a running race, one and one-quarter mile dash, for \$150, in two moneys. First horse \$100; second, \$50. The race was won by Pickett in 2:23.

The unfinished contest in the free-for-all trot was called at one o'clock. All the

horses except Leontine promptly made their appearance. Two heats had been run Thursday. Alexander had led under the wire in both of them but had been sent back in the first on account of foul driving, the heat being given to Alice Stoner. In the first heat yesterday Alexander behaved badly, breaking several times. Stoner won the heat, Maud Messenger, coming in second and the black stallion last. The fourth heat was taken by Alexander. In the fifth heat also, he led under the wire by several lengths, but the backers of Alice Stoner, made a big kick, claiming that foul driving and running had beaten their favorite. The judges, however, gave the heat to Alexander, which ended that race.

## SUMMARY.

Alexander	1	1	1	1
Alice Stoner	2	1	2	2
Maud Messenger	3	2	3	3
Leontine	4	3	4	4
Time	2:22 1/2	2:35 1/2	2:35 1/2	2:35 1/2

## The Assembly Hop.

Last night was given the second Assembly Hop and in all the points that go to make an occasion of this kind enjoyable, it was the most elegant and complete public entertainment ever given in Maysville. The attendance was triple that of Wednesday night, but the arrangements were so perfect that not the slightest confusion occurred. The young men who have had the matter in charge cannot be too much praised for the brilliant success that has attended their efforts and we hope that they will form a permanent re-organization and make the Assembly what it should be, one of the institutions of the city.
